

SPORTS PERFORMANCE VOLLEYBALL

SPVB BOYS JUNIOR HIGH

2022 Fall Program

- This program is designed to provide 7th & 8th grade boys volleyball players the opportunity to develop their skill without the pressure of team evaluations. Players will receive skills training in ALL the foundational elements of the game: Serving, Passing, Setting, Attacking, Blocking, & Defense. Our key goal is to help develop well-rounded players who are capable of performing all skills at a high level.
- Tryouts for the SPVB Junior High National Program on Monday, August 29th are **NOT** required for this program. Information for those tryouts and the SPVB National Program can be found on our SPVB Boys homepage on our website.
