SPVB Boys National & SPVB Boys Select

Local tournaments - We hope to be able to participate in local tournaments when allowed by the state of Illinois. Once the next phase of information is available, we will be able to provide an update on this subject. Our hope is that tournament play will begin in December and continue through April before the start of the high school boys' season.

Travel tournaments – We hope to be able to participate in some travel tournaments, including the Dennis Lafata Boys Bid Tournament in St. Louis as well as the Boys Junior National Championships in Kansas City.

Winter Break – December 21-January 1

Q-If I choose the SPVB Boys National Program or SPVB Boys Select Program option am I committing for the entire session?

Yes. The only difference between last year and this year is how we are billing the season. Due to the uncertainty of the COVID-19 situation we are billing all players on a monthly basis for training. We are also billing tournaments and travel fees separate. We hope this will avoid the credit situation that occurred at the end of the 2020 club season.

Q – If my player decides not to continue, will I still be required to pay the full amount?

SPVB Boys National Program

Players will be expected to pay for the full season of monthly fees totaling \$2,200.00 for 18's and \$2000.00 for 16's/15's. When a player registers for the Sports Performance program they are taking a position or roster spot that is no longer available to another player.

SPVB Boys Select Program - Players will be expected to pay for the full season of monthly fees, \$1,400 or \$700.00 for seasonal options.

Q-How are the payments broken down for the season?

Monthly payments only cover the cost of practice, conditioning, coach's pay and administrative fees.

Apparel packages, tournament fees and travel expenses will be invoiced separately for this season.

SPVB Boys National 18's - \$275.00 per month for 8 months (September-April)

SPVB Boys National 16's/15's - \$250.00 per month for 8 months (September-April)
