

Please note: Texas Lutheran University informed us on May 20, 2020 that they have to cancel all on-campus programs for the summer to allow them to prepare to open the school in the fall for their students.

We will now be hosting this camp at Athletic Performance Center in New Braunfels, TX. Please click here for more information.

If you are **currently** registered for TLU you will be receiving a separate email in regards to this matter asking the following:

- (1) move to the new location
- (2) move to a different camp we are offering in TX
- (3) move to a different camp in another state that has overnight option
- (4) Full refund

Additionally, we have many camps located all over the country that could be attended, as well.
